tiger tales get tangled

by don head

Mike Dunphy

Tucker — A big two-car fender-scraper held up rush haur traffic in downtown Tucker last week. A speedy roadster violently clashed with the Tucker Turquoise Flash. Monica Maser was piloting the roadster and was accompanied by Bobby Mela, Rhonda Hopkins, and Barbara Heller. Tommy Melo, at the wheel of the Flash, was receiving directions from Theresa Hopkins, who was riding shotgun . . . too bad! Arresting officers Terry Lodge, Pat Hicks, and Eileen Jones charged occupants of both cars with unlawful paint removal. Unfortunately two reporters, Rick Bestwick and Rudy Watkins, were standing too close to the mishop and were erroneously included in the arrests.

1 in our hearts

Tucker 15 Marietta 12

Keith Downey and Steve Wamack led a devastating Tiger defensive attack as the Tigers whipped a good Marietta team 15-12. The MGM backfield of Murray, Gray, and McMakin provided the strong offensive power which gave the Tiger's victory #1.

Tucker 20 Therrell 7

The Tigers played against an inspired Therrell football team and escaped with a 20-7 victory. The Tigers rallied for two 4th quarter touchdowns, the clincher being a 30 yd. run by Chris Gray.

Tucker 35 Sequoyah 6

Tucker soundly thrashed their first region foe by beating the Braves 35-6. David McMakin tore the Braves secondary to pieces with his precision passes. Junior Jeff Chesnut was the recipient of 2 of Dave's passes for 2 T.D.s.

Tucker 35 Cross Keys 7

Ole "54" led his defensive teammates to a crushing slaughter of Cross Keys. The Indians were held to only 5 first downs and 110 yards total offense. Again the junior sensation, Jeff Chesnut scored 3 times to pace the high-scoring Tigers.

Tucker 28 Briarcliff 3

Tucker collected its year-long wait of revenge by overwhelming the Barons 28-3. The offense-minded Tigers ate up nearly 400 yards in total offense. Big Dave was again on target and threw 3 touchdown passes.

Tucker 21 Decatur 7

Downey led the defense in holding the young Bulldogs to only 6 first downs, as Tucker cracked Decatur 21-7. The running of All-State candidates Jimmy Murroy and Jeff Chestnut provided the offensive scoring.

Tucker 3 Athens 17

Tucker went to Athens hoping for a region championship, but they couldn't beat the home team. The Trojans could do no wrong as they beat our Tigers 17-3. The game was much closer than the score indicated, and the Tigers played a game they need not be ashamed of.

Tucker 14 Lakeside 9

David McMakin thrilled a homecoming crowd with the greatest exhibition of "cool" yet. With a few minutes remaining and Tucker down 9-7, David led his team 83 yards to a score. By mixing passes with runs, he completely fooled the lizards.

Tucker 34 Druid Hills 7

Even in the snow, our Tigers tromped the Devils. Jeff Chestnut ran 90 yards for a touchdown — longest one of the season. The defense held Druid Hills to only one score in the entire game.

Tucker 34 Chamblee 21

In the last game of the year, the Tigers proved too great a match for Chamblee. David passed for 247 yards while Jimmy Murray ran for an impressive 184 yards to end our season in a blaze of glory.

I AM

David,

I could write what a great, sweet + cute guy you are, but you already know I think you're all of those things. So I'd better take this opportunity to be more serious. I've known you for quite a while now and believe me I've really enjoyed it. You're a wonderful guy and the greatest friend !!!! Good luck always.

Love,

Barbara
"Little Sister"

P.S. Hold on to Suzie she's a great girl.

David,
It been a good year we have had lots of fun. Good luck always. Mike Murray

The Senior Class is aware of the constant and unselfish service of Coach Johnson and Coach Clark. We appreciate their enthusiasm, inspiration and concern for the individual. We shall always remember their honesty, dignity, and interest in all of our endeavors and shall long feel the influence of the example set by these two men.

David,
You a real sweet guy I've enjoyed knowing this year. Have fun this summer and be good.
Luv ya,
Beth

Dear David,

I am finally signing your annual do you believe it? I can't believe this year has gone by so fast. Next year I don't know what I'm going to do cause you won't be there.

We've had more fun this year, more fun than we've ever had before. We've also become a lot closer and I guess that's because we are growing up. I'm glad because now I feel as though we really understand each other. I know we've had some bad times, but there have been a lot more good ones, so let's forget about the others. You have been more than just a boyfriend, you've been my <u>best</u> friend too. Thank you for always being there when I needed someone, for putting up with me, but most of all for loving me because I'm the way I am. I love you very much and I hope you realize this. I just wish I could be as patient and as understanding as you are. I know I'm not easy to cope with at times, but I'll try and be better. Promise!

Continued at the very back

David,

For a long hair you're a good guy, I didn't think you would make it through algebra, after all these years we are finally getting out, I wish you the best of everything that you want, stay good & if you can't, be careful. God be with you,

Ronald Miller

David

I don't no what you thought about it, but I am glad were getting out of that algebra class. But I am glad that if I had to go through it I got through it with a guy like you.

Good luck

Shawn

Dear David
Sincerely yours

David,

It's been really terrific knowing you and knowing you won't be here next year (maybe). I've really loved sitting behind a ~~pile~~pile of DOGMEAT in fourth period. Try to kept out of trouble and other things this summer, Super Redneck, and as I write this I scratch my tail because there is nothing better to do. Peace and love forever

Ricky Peppers

David,

It has been great knowing you this year. And I wish I could have a class with you next year. But alas Class of "70" must graduate. Good luck in everything you do. I hope the band makes it big. Pardon Ricky for the "Hairy Chicken Egg", Lord help us all. Don't get too drunk. Stay out of trouble and if you stay like ~~you~~ you are now you'll be alright.

Lots of luck in life

Phil R.

David,
I hope you musical talents keep you in the right people. Best of luck always.
Tom.

(6.+4)

David,
You're a great guy and good English student. We finally made it through school. Hope to see ya later.
Wayne

David,

Have you ever lived in a drum? I just dreamt that I lived in a drum ever since it got dark. Dreamin is hard. Next time you practice your music I may just shake up your way. You remind me of Elvis at the age of 20, devoted to his parents and country. Stay out of the weather. I'll see you in Canada.

David "Bledwyn" Lindsay

Well it's over (E.E. class). Remember all the fun we had and all the problems we had too. You and Suzie make a great couple. Stay with her. Tell her not to forget 6th period but remember she's your girl. See ya around I'm sure. Have fun in the world your fit'n to get turned out in.

It's a cruel one.

Tommy
(T.I.T.)

CONTINUED!

David Phillips

Don't forget all the things we've done, like going to Six Flags (with times. How about that Wheel Barrel?) the Jr. Sr. (with of those too!), all 400,000 movies we've seen, going to St. Mt., playing badminton, Chastain Park (the old school), the concerts, dances, going shopping, swinging in the hammock, listening to records, my little "blue dog", your hospital visits and my funny face!!!!! and all the rest of it. We've had so much fun together and I know it's gonna get better.

I love you because you are David (mine!) and because of that I don't ever want you to change. Remember I'm there if you ever need someone to talk to, or ya need cheering up, or even a good lecture (ha, ha!). Because I want to be your best friend too. I guess I should go now, please be good and let's have fun this summer.

Love,

"Little Bear"
